2020 Pretzel Festival Vendor

The committee wants you to know that we are still planning to have our 2020 Pretzel Festival.

Thank you for registering as a vendor for the 2020 Germantown Pretzel Festival scheduled for September 26 & 27, 2020 at Veteran's Memorial Park in Germantown, Ohio.

If the festival is cancelled, we will contact you immediately. If cancelled, we would like to offer you an option that only those prepaid will receive. We will transfer your application and payment to the 2021 Pretzel Festival event to be held September 25 & 26, 2021. The committee had already discussed an increase in vendor fees for 2021 and this transfer of your application would cover that increase. **YOU** would not be required to pay the increase in registration for 2021.

If you have any questions, please contact Deanna Smith at Deanna@runwalkjog.com who is handling the vendors this year.

The City of Germantown and the committee wants you to know that we are continuing to monitor this unusual situation. Your safety as well as the visitors to this annual event is very important and we will be following all state guidelines.

Thank you for your continued support of the Germantown Annual Pretzel Festival.

Sincerely,

Susan Miller - President
